Tie Breaker Rules:

1) Head-to-Head Record (Head-to-Head goal differential not considered)*

2) Overall Goal Differential

3) Overall Fewest Goals Allowed

* If 3 teams are tied on points and tied on head-to-head (i.e all teams are 1-1 vs each other), then overall goal differential becomes the first tie breaker.

** If 4 or more teams are tied on points, teams are ranked based on head-to-head record among the teams tied on points, then head-head record is used to rank teams that remain tied
